

Goyal Ispat Private Limited

Building bonds of steel since 1977.

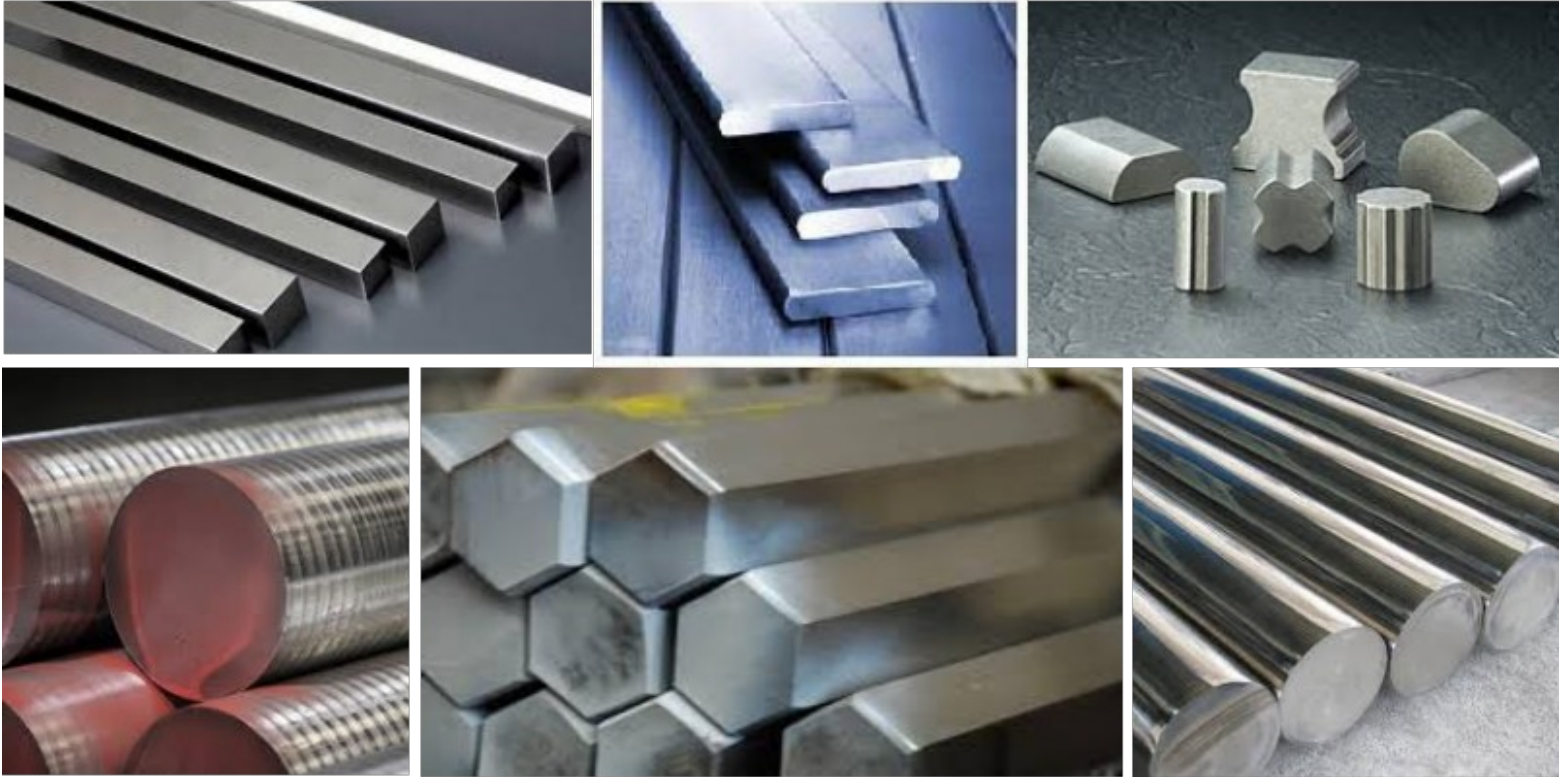

Manufacturers, Stockists and Suppliers of Steel

Goyal Ispat Group is comprised of a Bright Steel Bars Manufacturing Unit and a Steel Trading Unit. We are among the largest manufacturers of Bright Bars in Southern India while also being the largest stockists of Steel Bars in the region. We are an one stop shop for all Specialized Steel needs of the Automobile & Engineering Industry. We also cater to a wide variety of other industries.

We stock and supply Hot Rolled Steel Rounds, Billets, Blooms and Wire Rod Coils used mainly by the Engineering and Component Industry. Our manufactured product range comprises of Cold Drawn Bright Steel Bars, Peeled Bars and Ground Bars.

Product Range

Cold Drawn Bright Steel Bars manufactured by us

Product Name	Size Range
Bright Rounds	8mm to 76.20mm
Bright Hexagons	8mm to 60mm
Bright Squares	8mm to 50mm
Bright Flats	19 mm x 5mm to 65mm x 20mm
Bright Profiles	As per customer requirement

Key Highlights

Ours is a Quality Conscious Company and the Products manufactures by us conform to BIS9550:2001 Specification of the Bureau of Indian Standards for Bright Bars. We have complete Material Traceability with Systematic Batch-wise Inventory and Color Coding for Material Identification.

2500+ Happy Customers

We take pride in our trust our esteemed customers have bestowed on us.

100+ Grades of Steel

We have the capability to draw steel of any grade and specification as required by our customers.

15000+ Metric Tons Annual Turnover

Our investments in our infrastructure enables us to scale up our production to meet the demands of fluctuating markets.

40+ Years of Experience

Our rich experience makes us the best choice when it comes to precision engineering steel.

- State of the Art Bright Bars Production Facilities
- Complete In-House Infrastructure for end to end Material handling and Processing
- Industry Specific Quality Certifications
- Trusted Suppliers to OEMs and their Vendors
- Highly Efficient Material Handling Infrastructure
- Motivated and Dedicated Workforce for Guaranteed Customer Satisfaction
